

## Photography Policy

By becoming a London Trampoline Academy or London DMT member you agree to abide by the following photography policy. This applies to all members, which includes participants, coaches, parents, guardians, carers, and other volunteers.

The aim of this policy is to help ensure a fun and safe environment for all, including at training sessions, competitions, and other club events. Failure to follow this will result in termination of your membership (see complaints and discipline procedure).

If you have any queries, please email [info@londtrampoline.com](mailto:info@londtrampoline.com)

London Trampoline Academy and London DMT adheres to the British Gymnastics Photography Policy which can be found on the British Gymnastics website. Key and/or additional points specific to London Trampoline Academy and London DMT are identified below.

- During training sessions photography and video may only be done as an aid to coaching by qualified club coaches. These are stored securely and deleted when no longer required for coaching purposes.
- Should the club require to do any photography or filming during training sessions for social media or website purposes, participants of the session will be informed prior to the session.
- Photography and filming may only be done by participants in line with the London Trampoline Academy and London DMT training session rules.
- Photography and filming may only be done by spectators in line with the London Trampoline Academy and London DMT training session rules.
  
- At special club events such as club activity days or club competitions, photography and video may be taken by persons nominated by the club manager and/or welfare officer on club managed and encrypted equipment. This photography and video may be used on the London Trampoline Academy and London DMT website and social media.
- During special club events, participants and spectators may photograph or film performances. However, they must also be prepared to allow and enable the club welfare officer to view any images recorded and permanently delete any image they are directed to.
